

TENS Machine Hire

A TENS (transcutaneous electrical nerve stimulation) machine can help reduce your pain during labour and childbirth.

CAPC has several TENS machines available for hire by our members for \$50.00 plus \$50.00 bond (your bond will be refunded within 7 working days of machine return). You can make a booking for the two weeks prior to your due date until two weeks post due date. To book, contact the Lending Coordinator.

All machines are hired with new pads. You will need to supply your own 9 volt alkaline battery.

You are responsible for collecting and returning the TENS machine. We appreciate that early days with your baby are busy, but as others are waiting to hire the machine, we ask that you return it as promptly as possible.

Lending Coordinator:

Miranda Young

Home: 84 555 75 (evenings)

Mobile: 021 546 866

Email: capc.lending@gmail.com

Pick up at 4 Te Ra Road, Pt Chevalier
(evenings/weekends) or in Freemans
Bay on weekdays by arrangement

How to Pay:

Internet banking (preferred method): Deposit **\$100.00** into Kiwibank account 38 9011 0794839 00. Use your surname and 'TENS Hire' as a reference.

Cheques: Please provide **two** cheques of **\$50.00**: one for the hire fee and one for your bond amount.

Cash: correct change is appreciated.
